

This website is administered by a coalition of community organizations that have a shared commitment to promoting events that add to Wilson’s cultural and economic identity. Site administrators reserve the right to remove any submission for any reason without notice.

## Event Submission Guidelines

- For the purpose of this calendar, “events” refer to a specific activity open to the public that is outside of normal day-to-day operations.
- Events shown in the ExploreWilson.com calendar must take place within Wilson County, N.C.
- All events must be physical events, i.e. no virtual events.
- All events submitted must be an “experience”; no sales promotions, offers, or opportunities allowed.
- No private yard sales. Yard sales organized by a non-profit organization are permissible.
- In the case of a cancelled event, the person/entity that uploaded it to the calendar should also remove it.
- Prevent duplicates. Check to see if an event is already on the calendar prior to entering. Duplicates of the same event will be blocked.
- Exhibition receptions/openings/closings and one-time workshops are encouraged. Ongoing exhibitions, classes or events that require long-term participation are discouraged. Administrators may remove an event if it becomes visually overwhelming due to repeated activity.
- Prohibited:
  - 1) Any event that includes graphic depictions of sex, violence, or profanity
  - 2) Offensive content that may reasonably threaten public health or safety, or is explicitly discriminatory
